**NOTES TO THE HALF YEAR FINANCIAL STATEMENTS
FOR THE HALF YEAR ENDED 31 DECEMBER 2009**

1. CORPORATE INFORMATION

The financial report of Schaffer Corporation Limited (the Company) for the half-year ended 31 December 2009 was authorised for issue in accordance with a resolution of the directors on 17 February 2010. Schaffer Corporation Limited is a company incorporated in Australia and limited by shares, which are publicly traded on the Australian Stock Exchange.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

(a) Basis of preparation

This general purpose condensed financial report for the half-year ended 31 December 2009 has been prepared in accordance with AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

The half-year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the consolidated entity as the full financial report.

It is recommended that the half-year financial report be read in conjunction with the annual report for the year ended 30 June 2009 and considered together with any public announcements made by Schaffer Corporation Limited during the half-year ended 31 December 2009 in accordance with the continuous disclosure obligations of the ASX listing rules.

The accounting policies and method of computation are the same as those adopted in the most recent annual financial report.

(b) Adoption of new and revised accounting standards and interpretations

In the current period, the Group has adopted all new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to its operations and effective for reporting period beginning on or after 1 July 2009. The adoption of these new and revised Standards and Interpretations has not resulted in any changes to the Group's accounting policies other than:

Reference	Title	Summary and impact on Group financial report
AASB 8	Operating Segments and consequential amendments to other International Accounting Standards	AASB 8 replaced AASB 14 Segment Reporting upon its effective date. AASB 8 disclosures are shown in note 14, including the related comparative information.
AASB 23 (Revised)	Borrowing Costs and consequential amendments to other International Accounting Standards	The revised AASB 23 requires capitalisation of borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset. The Group's previous policy was to expense borrowing costs as they were incurred. In accordance with the transitional provision of the amended AASB 23, the Group has adopted the standard on a prospective basis. Therefore, borrowing costs are capitalised on qualifying assets with a commencement date on or after 1 July 2009.
AASB 7	Financial Instruments: Disclosure	The amended standard requires additional disclosures about fair value measurement and liquidity risk. Fair value measurements related to items recorded at fair value are to be disclosed by source of inputs using a three level fair value hierarchy, by class, for all financial instruments recognised at fair value. In addition, a reconciliation between the beginning and ending balance for level 3 fair value measurements is now required, as well as significant transfers between levels in the fair value hierarchy. The amendments also clarify the requirements for liquidity risk disclosures with respect to derivative transactions and assets used for liquidity management.
AASB 1 (Revised)	Presentation of Financial Statements and consequential amendments to other International Accounting Standards	The revised standard separates owner and non-owner changes in equity. The statement of changes in equity includes only details of transactions with owners, with non-owner changes in equity presented in a reconciliation of each component of equity. In addition, the standard introduces the statement of comprehensive income: it presents all items of recognised income and expense, either in one single statement, or in two linked statements. The Group has elected to present one statement.

Adoption of these standards and interpretations did not have any effect on the financial position or performance of the Group.

The Group has not elected to early adopt any new standards or amendments.

14. SEGMENT INFORMATION

Identification of reportable segments

The Group has identified its operating segments based on the internal reports that are reviewed and used by the executive management team (the chief operating decision makers) in assessing performance and in determining the allocation of resources.

The operating segments are identified by management based on the nature of the product and customer supplied, and services provided and the identity of service line manager. Discrete financial information about each of these operating businesses is reported to the executive management team on a monthly basis.

The reportable segments are based on aggregated operating segments determined by the similarity of economic characteristics, the products produced and sold and/or the services provided, as these are the sources of the Group's major risks and have the most effect on the rates of return.

The Group comprise the following segments:

The leather segment is a manufacturer and supplier of leather in the automotive industries.

The building materials segment comprises Delta Corporation Limited, Urbanstone Pty. Ltd., Archistone Pty. Ltd., Urbanstone Central Pty. Ltd. and Limestone Resources Australia Pty. Ltd. which produces and sells concrete paving, pre-cast and pre-stressed concrete elements and natural and reconstituted limestone products.

The property segment leases offices and retail premises and includes the Group's share of jointly controlled operations. The segment also includes the Mindarie Keys and Neerabup joint venture land subdivisions.

Accounting policies and inter-segment transactions

The accounting policies used by the Group in reporting segments internally are the same as those contained in note 1 to the accounts and in the prior period. There are no inter-segment transactions.

Allocation of Assets

It is the Group's policy that if items of revenue and expense are not allocated to operating segments, then any associated assets are also not allocated to segments. This is to avoid asymmetrical allocations within segments which management believe would be inconsistent.

DIRECTORS' DECLARATION

In accordance with a resolution of the directors of Schaffer Corporation Limited, I state that:

In the opinion of the directors:

- (a) The financial statements and notes of the consolidated entity are in accordance with the *Corporations Act 2001*, including:
 - (i) Give a true and fair view of the financial position as at 31 December 2009 and the performance for the half year ended on that date of the consolidated entity; and
 - (ii) Comply with Accounting Standard AASB 134: *Interim Financial Reporting* and the Corporations Regulations 2001; and
- (b) There are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

On behalf of the Board

John Schaffer

To the members of Schaffer Corporation Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Schaffer Corporation Limited, which comprises the statement of financial position as at 31 December 2009, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, other selected explanatory notes and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Directors' Responsibility for the Half Year Financial Report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of Interim and Other Financial Reports Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2009 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Schaffer Corporation Limited and the entities it controlled during the half-year, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We have given to the directors of the company a written Auditor's Independence Declaration, a copy of which is included in the Directors' Report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Schaffer Corporation Limited is not in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the consolidated entity's financial position as at 31 December 2009 and of its performance for the half year ended on that date; and
- (ii) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.
